Vol. 32, No. 46, November 16, 2007

Burrell v. State, 32 Fla. L. Weekly D2625 (Fla. 2nd DCA 2007):

Because defendant's original offense of solicitation to commit a lewd battery with a child occurred before the effective date of the Jessica Lunsford Act, the Act, requiring mandatory electronic monitoring as a condition of probation, did not apply to him.
